“Working to see Christ Centered Churches among all African people.”

BUSH TELEGRAPH: OCT 2019

Dear All,

“Whatever you do, work heartily, as for the Lord and not for men.” Col 3 v 23(a)

We are back in South Africa after visit with our daughter Bronwyn and the 3 children in the UK. We had not seen her for 19 years nor met the grandchildren personally. Whilst we were there Jinx was also able to do quite a few maintenance jobs in the house. We are blessed that he has many diverse talents. :) The police investigation into Gin’s (future son-in-law) murder seems to be coming to a close and we hope that many questions will be answered as to why this happened. Please continue to pray for Bronwyn as she leads the family in trying to do what is best for her and the children; Faith, Shayla and Jensen.

We are saddened to inform you that Jinx’s mom passed away in Australia a few days after we returned from the UK. After much frustration Jinx was able to get an emergency visa to go over. Though we grieve our loss, there is joy too in having known and loved such a special person. A memorial celebration will be held tomorrow, the 14th October after which Jinx will continue to stay with his dad until the 22nd when he will start his trip back to South Africa. We praise God for her life knowing that she trusted in the Lord and is now in His presence.

There have been reports on the tension building up to the Mozambique’s crucial elections next week. Candidates have been threatened, electoral material destroyed and an increase in ‘incidents.’ Please pray for 1) wisdom for voters and a safe & fair election, 2) for the salvation of those who are in leadership of the nation and 3) for the Lord to surround the leaders with Godly advisors.

It is the time of year again where the folks have prepared their fields and are waiting for the rains. **“You visit the earth and water it; You greatly enrich it; the river of God is full of water; You provide their grain, for so you have prepared it.” Ps 65:9** How wonderful is our God? Please pray with us that the folks will have plentiful harvests after this past years disaster when the cyclone struck.

We have been enjoying our newest grandchild and getting to know her. We are so blessed. ☯☯
Until next month, take care and God Bless,

Jinx & Dawn
